EVENT: VISION 2016

January 31, 2016

The word of the Lord for this year is from [Gen. 1:28](#) (review together).

DISCUSSION:

- Do you have any areas in your life where you are believing for fruitfulness that you haven't seen yet?
- How will you respond to this word, to see it come to pass your life?

Our mission is "Building Solid Lives", and we do that through **Services, Discipleship, Rock Groups and Rock Teams.**

DISCUSSION:

- Do you have a brief testimony you would like to share about how your life has become more solid while attending The Rock? How have services, discipleship, small groups or serving on a team been a part of that?
- Are there any additional ways that you see yourself getting involved to help yourself, or to help others become more solid this year?

CLOSING:

God is doing amazing things in the lives of people, as evidenced by the testimonies that were shared during Vision 2016.

Let's pray together for a great new year and commit afresh to serve the Lord and advance His kingdom this year.

APPLICATION & PRAYER

- How will you apply what we've learned this week?
- **Let's pray together** ... Does anyone have any prayer requests?
