"BRINGING PEOPLE TOGETHER"

Week 3 Q&A

Hello Leaders!

Below are the verses for this week's video as well as some questions that you can go over with you group.

Verses:

- Acts 1:8
- Acts 2
- Luke 3
- Luke 4:
- Joel 2

Questions:

1. Based off of the passages we studied, why are we filled with the Holy Spirit? **(Answer: We are filled for Power not only for those we are ministering to but for our own lives as well.)**
2. What are somethings that really ministered to you in the study today?
3. We learned that restoration is not simply brining things back to what they were but actually make things they way that He always intended them to be which even better.

Are there any testimonies of how the Lord restored your life?

Are there any who would like to share what they need restored in their life?

Action Points:

- Pray as a group to give thanks for the testimonies & pray over those that need restoration.
